

Irish Draught Horse Society
of North America

March 8, 2018

Dear Irish Draught and ID Sport Horse Owner,

If you would like to have your Irish Draught Horse or Irish Draught Sport Horse inspected this year, please send the following application to the registration office. If you have more than one horse, please copy the form as many times as you need. If your horse is located at an address significantly different from the Owner address - please provide the location of the horse for determining inspection sites.

Please send in the application and the inspection fee by May 1. The number and location of the inspection sites will be determined based on paid applications postmarked no later than May 1, 2018. Registration need not be complete to send in an application for inspection. However, completed registration will be required prior to inspection. Applications postmarked after July 15, 2018 must include a \$75.00 late fee per horse. **No applications will be accepted in the 3 weeks preceding inspections, and all paperwork must be complete and fees paid by that time.**

The 2018 Inspection Fees are as follows:	Members	Non-Members
Geldings (at least 2 years old)	\$100	\$150
Mares (at least 2 years old*)	\$300	\$350
Stallions (at least 3 years old)	\$550	\$575
Advisory Inspections	\$50	\$75
Deferred Horse fee	\$100	\$125
*purebred mares must be 3 years old.		

If you have any questions about the inspection process, please contact your regional chair or email IDHSNA@hotmail.com. You can find your Regional Contact information at www.irishdraught.com.

Remember, inspection sites will be determined by the number and location of paid applications received by the May 1, 2018 deadline. Inspections will be held between September 22 and October 3.

All horses will be assessed using linear profiling. I look forward to working with you through the 2018 Inspection process.

Sincerely,
Lucy Stevenson
